Journeys Around Sicily

Shore Excursion Etna Taormina

Day Trip to Etna and Taormina

This is the best full day excursion to enjoy the beauties of East Sicily in just one day. You can live the experience of Etna Volcano, and walk in the Amazing Taormina.

The **Excursion to Etna and Taormina** is perfect if you start from **Hotels or Ports of Messina, Catania or Giardini Naxos** and sourrounding. This is a **tour for everyone, without difficulty** and very satisfying. During the trip there will be the opportunity to **taste for free wines and products of the Etna territory, on a farm in Zafferana Etnea**, famous for its honey and wine production.

Excursion to Etna

Our driver will take you up to Rifugio Sapienza, approximately 2000 meters above sea level. Along the way, you will see some typical villages, built of volcanic stone, and enjoy the beauty and the wilderness of the Mount Etna volcano. Once there, you will have free time to visit the volcanic sites, or for any hiking, organized on site. Coming down from the summit of Mount Etna, you will visit a lava flow cave and Zafferana Etnea.

Excursion to Taormina

Along the way to Taormina, the driver, will travel, all the sea side road from Giardini Naxos to Taormina, and you will have the opportunity to stop for photos or walk around. Arrived in

Taormina, you'll have all the information to visit the city on your own, together with a map of the city.
