Shore Excursion Siracusa Noto

Day Trip to Siracusa and Noto

This trip will take you back 2000 years, to show the greatness of a city that was among the most powerful cities of ancient Greece, and the beauty of the "Late Sicilian Baroque" in Noto.

The **Excursion to Siracusa and Noto** is suggested if you start from **Hotels or Ports of Catania, or from hotels in Taormina Area** and sourrounding. This is a **tour for everyone, without difficulty** and very interesting, from an archaeological and architectural point of view.

Excursion to Siracusa

Our driver, driving along the road south, takes you to visit the archaeological zone **Neapolis** of Syracuse, to visit the famous Greek Theater, the Ear of Dionisio, the tumb of Archimedes, the Altar of Hieron and the Roman Amphitheater. You will, also, the opportunity to visit the archaeological museum Paolo Orsi.

Our visit of Syracuse, continues with the historical center of Ortigia Island. Where you will have free time to visit: the temple of Apollo, the Fountain of Arethusa, the cathedral and its magnificent Piazza and enjoy excellent seafood for lunch.

Excursion to Noto

We will dedicate the rest of our trip to visit the beautiful city of Noto. Defined the "capital of Baroque", in 2002, its historic center was declared a World Heritage Site by UNESCO, along with other late Baroque towns of Val di Noto

Across the "Royal Door", along the Via Vittorio Emanuele, you can admire the beautiful aristocratic and ecclesiastical buildings dating back to the 17th century. Among the most important: Ducezio Palace, Palazzo Nicolaci, The Cathedral, the Theatre and many others.
